## ART IN NATURE CAMP

This school break program will be an interesting and creative way to keep children happily busy over the spring recess.

Does your child enjoy the outdoors and creating art? Our young artists will take their inspiration from the earth – using themes and materials from plants, animals, geology and the forces of nature. We will draw, paint and fabricate beautiful and exciting projects. You will receive dirty clothes on happy children and unique hand-made creations from proud young artisans.

Sharon Kennelty-Cohen, a naturalist and environmental educator, has been teaching outdoor education for over 15 years. She has been exposed to the underlying beauty of art in nature from Kenya to Oklahoma. Sharon will encourage a love of nature through hands-on projects and outdoor expeditions. There will be time for both a snack and lunch, so remember to send in lunch and beverages with your child.

## SPRING TENNIS LESSONS

*Presented by  
Long Island Foundation For Education & Sports*

The 10 and under tennis follows the same logic as other youth sports like baseball and soccer. We use kid-sized courts and equipment. The balls bounce lower and don't move as fast through the air and are easier to hit. That means kids will have more fun and less frustration. Whether you are a beginner or have taken lessons, our new Junior Team Tennis Program for ages 11 and older will have you playing on your very first day. Modified scoring is used to give each player at each level the ability to earn points and contribute to their overall team score. The LIFFES Junior Team Tennis League teams are organized to match players of similar ability and age. Be sure to attend the Championship Days, all participants receive prizes.

**MAIL-IN REGISTRATION ONLY:** Send completed registration form and payment to Town of Islip, Sports Office, East Islip NY 11730. Make checks payable to Town of Islip.
